Start
writing lazy
ass.

2. Gluttony

Lazy drunk smelly ass, stuffed full
of green olives (the only foodstuff
in the fridge).

3. Greed

This requires ambition. For a full description
of my relationship to greed,
see sin One.

4. Wrath

F(you)ck.

5. Envy

Feeling just a tad of it
right now,
aren't you?

6. Pride

Am I proud of myself?
No, not really.
Am I proud of my country?
Oh yeah.
Do I love my president?
See Seven.

7. Lust
